

Boom Active's creative activities and multi-sports programme is all about having fun and making new friends. Each day the children will take part in different activities set around that day's theme. Including group challenges, football, cheerleading, obstacle courses, dodgeball and many more.

Exclusive to our Battle programme you can expect creative arts, outdoor adventure and cooking. It is our aim to provide new experiences for the children to enjoy through exploring different materials such as paints, textiles, modelling clay and electronics. Additionally, they can tap into their wild side at our forest adventure sessions.
